WHOLE SCHOOL SWIMMING PROGRAM 2013

Dear Parents,

During weeks Three and Four of Term 2 students from Prep to Year 6 will have the option to participate in an intensive swimming program at Just Swimming Syndal, 554 High Street Road, Mount Waverley. With students partaking in 8 lessons in total on:

</table>

There will be five sessions running daily: the first commencing at 10.50am and the final session concluding at 2.40pm, the children in the last group will be back at school for the end of day. This year, we have had to cap the amount of students that choose to do the swimming program through school, so first in will be accommodated. Parents are most welcome to attend the lessons and watch their child, however taking photographs or video unfortunately is not allowed due to privacy laws. Closer to the date students will be allocated to a swimming group, this can occur once we have ascertained the number of students attending the swimming program. The total cost of the program is $90.00 which includes pool entry, lesson tuition by qualified staff, the bus fare to and from the pool and a swimming cap.

This program comprises an essential and compulsory part of the school Health and Physical Education curriculum as it teaches students about water safety. If your child already participates in swimming lessons outside school, it is a great opportunity for students to further develop their skills and is a great social activity.

Please complete the form below and return it with payment to your child’s teacher by Wednesday 20th February, 2013. If your child has any special needs or medical conditions (eg: asthma) could you please attach a separate note to the slip below detailing those specific conditions or needs. Please address that note to me at school. Feel free to contact me if you have any concerns or queries about the program.

Kind regards,

Matt Knott  
School PE & Sport Coordinator
