Dear Parents,

As the year 4 camp is fast approaching, we are writing to inform you that this year an exciting and educational program has been planned for your child at Derby Coastal Forest Lodge Angelsea. The campsite is approximately an hour and a half from Melbourne and the duration of the camp is over a three day and two night period.

Our intention is to provide a camp which is rewarding for children and can be linked to the school curriculum such as environment and sustainability. During their time away the year 4’s will have the opportunity to participate in fun challenging situations as well as further develop their social co-operative and problem solving skills.

The Camp setting is bordered by coastal forest, farmlands and fenced for safety and supervision. Your child will participate in a range of activities including low ropes course, bush walks, yabbying and initiative games. On Tuesday we will be taking a bus down to the Anglesea beach to undertake a range of rotations, including a marine life walk, beach safety and beach sports.

The Camp will be held on the first week of Term 2, from Wednesday 17th to Friday 19th April. The children will depart school at 9:00 Sharp on 17th April and will need to bring their lunch for the first day. The students will return by 3pm on Friday the 19th of April. A camp information meeting will be held 13th of March at 5.30pm. Detailed information about all aspects of the camp will be shared on this night and any questions will be answered.

The school camp will cost $195 per child. This will need to be paid by Friday 22nd March 2013. If finance is of any concern and might prevent any child from attending the camp, suitable arrangements can be made through the Principal. We would not like to see any child being denied this invaluable experience.

This year we would also like to ask for parent volunteers to join us on camp. If you would like to help out please fill in the request form below and return it by the 15th of March 2013.

If you have any queries or concerns do not hesitate to come and talk to your child’s classroom teacher or myself.

Miss Arezou Javidi
