Dear Parents,

**Re: “Better Parents Ask Better Questions” Parent Learning Session**

I hope this short note finds you and all of the members of your family well.

I am very excited to announce that we have organise a wonderful information session for parents, **Better Parents Ask Better Questions**. This is a renowned parenting information/training session which is being implemented by Inspirational Coaching who have also been running professional learning sessions for the staff.

The **Better Parents Ask Better Questions** parent information session will focus on developing:

- How to set a conscious intention for your Parenting
- To recognise the various Communication styles you have as a Parent
- The benefits of choosing to be a Questioner
- The skills to be a better listener and to ask **Better Questions**
- Strategies to deal with challenging situations
- Learn from other Parents who have used the techniques in real case studies and
- Ideas to support you in maintaining your practice

The session will be held on **Monday 13th May commencing at 6:30** and should conclude by 8:30 pm – tea, coffee and biscuits will be available throughout the session. At this stage it will be held in the staffroom (however if numbers exceed 40 it will be moved to the Year 6 classrooms or the hall). There is NO COST to families.

Below is a recommendation from a previous attendee:

*I had the privilege of completing the Better Parents ask Better Questions program recently. I would thoroughly recommend it to anyone who wants to improve and build on their relationship with their children. It is both empowering and confronting at the same time. You find yourself questioning your parenting techniques in a positive way and it enables you to develop effective techniques that work for you. I did not realise how much of a “teller” I was before doing this program and now it is truly amazing at times to see how creative and wise my children can be after asking them a few questions rather than freely giving my opinion.*

Kylie Lee - Secondary school teacher and mother of 2 daughters.

I sincerely hope you consider attending this session as the benefits are immense. If you would like to attend please complete the attached slip below and return it to your child’s teacher by Friday 10th May.
