Dear Parents/Guardians,

Re: Chess Curriculum Program – Semester One 2014

At Glen Waverley Primary School we are committed to providing the most comprehensive educational program possible in order for every child to reach their full potential. As a means of further developing our curriculum and the cognitive ability of our students, we would like to continue with our Chess program.

Chess is a very inclusive, educational and intriguing game that has the ability to develop lifelong skills, such as:-
- Problem solving, abstract analysis, spatial aptitude, verbal reasoning, logical thinking, critical thinking, intellectual maturity, originality, cognitive skill enhancement, concentration, memory and organisational skills.

Chess Kids School Coaching is the company who will run the program for our school. The students will participate in a one hour coaching session each Thursday, during the luncheon recess or after school with renowned Chess Coaches Tim Broome and Daniel Holten. The program will commence on Thursday 13th February 2014 and over the course of the semester (Terms One and Two) the children will participate in 14 lessons as follows –

**Term 1:** February 13th, 20th and 27th
**Term 2:** May 8th, 15th, 22nd and 29th

March 6th, 13th, 20th and 27th
June 5th, 12th and 19th

The cost of the program is $84 which equates to $6.00 per session and must be paid in full by Friday 6th March.

Foundation (Prep) students are most welcome to join the program however as they finish school at 1pm (until the end of February), we suggest they join the lunchtime program and an adult remains with them.

We strongly encourage you to consider the program for your child(ren) as the educational benefits are immense.

Yours sincerely,

Samantha Rich and Peter Shen
Chess Program Coordinators

Frank Catalano
Principal
