

Dear Parents and Guardians,

Re: 2023 Year 6 Parent Payments Arrangements

Glen Waverley Primary School is looking forward to another great year of teaching and learning and would like to advise you of our school's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We thank our families for their continued support. It has made a huge difference to our school and the programs we can offer, for instance we provide:

- A variety of advanced learning (Innovations) programs such as Maths, English, Sport, Music, Art, Mandarin, STEAM and Multimedia
- A variety of intervention programs such as Targeted Student Learning (TSL) and
- Our very own Speech Pathologist.

Throughout this year our families support has allowed us to undertake school improvement projects such as:

- Purchasing additional ICT equipment such as iPads, notebooks, printers and robotics resources
- Redevelopment of the student bathrooms near the library
- Replaced the asphalt and updated the line marking outside the Early Learning Centre
- Replace the carpet in some of the portable classrooms
- Installed solar panels on the gymnasium roof and
- Installed additional water tanks throughout our school.

Some of the school improvement projects planned for 2023 include:

- Continue to replace and add to our school's technological footprint – additional iPads, notebooks and robotics resources
- Replace the asphalt at the front of the school
- Install a large cover over the basketball court
- Install additional storage units in some classrooms
- Complete the second phase of the development of the student bathrooms near the library
- Refurbish the bathrooms in the Early Learning Centre and
- Continue developing our school's garden beds.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

In closing, School Council, the Staff and I would like to thank you for your contribution, and we look forward to your support in 2023 and beyond.

Yours sincerely,

Frank Catalano
Principal

Mrs Jessey Kaur
School Council President
