

Dear Parents and Guardians,

Re: 2025 Year 4 Parent Payments Arrangements

Glen Waverley Primary School is looking forward to another great year of teaching and learning and would like to advise you of our school's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We thank our families for their continued support. It has made a huge difference to our school and the programs we can offer, for instance we provide:

- A variety of advanced learning (Innovations) programs such as Maths, English, Sport, Music, Art, Robotics, Mandarin, STEAM and Multimedia
- A variety of intervention programs such as Targeted Student Learning (TSL)
- English as an Additional Language (EAL) and
- Allied Health Services (Speech Pathologist, Counsellor and Educational Psychologist).

Throughout this year our families support has allowed us to undertake school improvement projects such as:

- Purchasing additional ICT equipment such as iPads, notebooks, printers and robotics resources
- Restumped and painted the main and the Year 3 building
- Installed operable walls in the Year Prep and Three classrooms
- Replaced the flooring in the art room
- Installed an additional 110 solar panels
- Refurbished the gymnasium bathrooms
- Commenced the development of the new Year 6 area
- Installed shade structures throughout our school
- Resurfaced the basketball court and
- Installed cooling fans in the gymnasium

Some of the school improvement projects planned for 2025 include:

- Continue to replace and add to our school's technological footprint – additional iPads, notebooks and robotics resources
- Remove some of the internal walls in the main and Year 3 building to maximise classroom learning spaces
- Replace the fencing around the bike shed
- Refresh the line marking throughout the school
- Complete the development of the new Year 6 play, recreation and learning area
- Refurbish the bathrooms in the Early Learning Centre and
- Continue developing our school's garden beds.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

In closing, School Council, the Staff and I would like to thank you for your contribution, and we look forward to your support in 2025 and beyond.

Yours sincerely,

Frank Catalano
Principal
