

Traffic Management Plan Template (TMP)

The **Workplace Manager** and/or **Management OHS Nominee** are to develop a Traffic Management Plan (TMP) by considering the traffic management issues that are unique to their school/workplace in consultation with the HSR and employees. Reference should be made to the *Traffic Management Procedure* for assistance in completing the TMP.

The TMP template includes prompts on common risk controls for managing traffic in order to assist in the development of your workplace TMP. The TMP template should be reviewed and amended to reflect specific traffic management controls at your workplace.
